

fireball

Starting point, You see a fireball on the train.

You see a fireball on the train.

[[say hi to him]]

say hi to him

[["How are you?"]]

[["Mind if I sit here?"]]

"How are you?"

"I'm doing alright." He stops talking.

[["i'm doing good too!"]]

[["Stop talking"]]

"Mind if I sit here?"

The fireball gazes at you for a moment before turning his gaze back to what he was previously looking at.

"No, go ahead."

[["Thanks!"]]

[["Thanks...Do you ride the train often?"]]

"Thanks!"

You two sit in a comfortable silence for a while. It looks like this man isn't much of a talker. Maybe you should see if anyone else wants to talk?

END

"Thanks...Do you ride the train often?"

He seems surprised by the added question.

"Yeah. I ride it everyday to get to and from my job. You?"

[["Yeah, It's my favorite game!"]]

[["Nah, I'm only using it today."]]

"Yeah, It's my favorite game!"

He stares at you for a long moment.

"A game? Well whatever floats your boat I guess."

[["So what do you do for a job?"]]

[["No. We are really in a game."]]

.....

"Nah, I'm only using it today."

"Ah...well...then enjoy the ride."

He turns back to where he was looking and then gets off the train after a moment.

END

.....

"So what do you do for a job?"

"I'm a CFO for a company in the city."

[["oh?"]]

[["That sounds hard!"]]

"No. We are really in a game."

He slowly looks over to you as the game starts to glitch in and out. The words, "What are you doing?!" blink on the screen.

"We're...in a game?"

[["yes."]]

[["haha what? no. This totally isn't a game. Never mind that-"]]

.....

"yes."

The glitching gets worse, "Well now you've done it." blinks on the screen before it all goes dark and the game exits on itself and you leave the game completely.

END

.....

"haha what? no. This totally isn't a game. Never mind that-"

The game goes back to normal and the fireball is just staring at you.

"Right...well this is my stop. So...bye."

The fireball's flames die down some, it seems you freaked him out. He leaves the train in a hurry.

END

"oh?"

His flames start to grow.

"Yeah."

[[{"So....is it fun?"}]]

[[{"Neat."}]]

.....

"That sounds hard!"

The fireball lets out a puff of smoke in exasperation. "I SUPPOSE."

[[{"Stop talking"}]]

[[{"Ramble about your day"}]]

.....

"Neat."

The conversation dissolves into silence.

END

"So....is it fun?"

The flame grows a little more and there is some wild movement.

"Well it's my job. It has it's moments though I guess."

[[{"Cool!"}]]

[[{"How are you?"}]]

.....

"Cool!"

"Yeah."

His flames slowly die down some till they go back to where they were originally and the conversation dies.

END

.....

"i'm doing good too!"

He slowly turns towards you, he can't believe you are still talking.

"Well...That's good to hear."

```
[[ "Ramble about your day" ]]
```

"Stop talking"

Nothing happens, you stop talking and go to someone else.

"Ramble about your day"

The flames move faster in annoyance.

```
[[ "Blah blah BLAH~!!" ]]
```

```
[[ "Blah." ]]
```

"Blah."

Flames move faster as you won't stop talking.

```
[[ "Blah blah blaaaaaaah?~" ]]
```

"Blah blah BLAH~!!"

Flames are now fast, he is annoyed beyond belief.

```
[[ "Blah blah blaaaaaah?~" ]]
```

"Blah blah blaaaaaaah?~"

Fireball is so fed up that he screams his way off the train.

"AAAAAAUUUUUUUGGGHHHHHHHHHHHHHHHHHHHHHHH!!!!"

He gets off the train screaming.
